

# Seeking Artist Submissions for the Christian Pop-Up Gallery & Concert

UW-Oshkosh

Reeve Memorial Union Ballroom

April 4th & 5th

The Pop-Up Gallery and Concert will feature works that inspire people with the beauty of the Christian faith. We seek to highlight Wisconsin artists, but will also consider art from other parts of the country.

Accepted art mediums include: ceramics, iconography, mosaics, music, paintings, photography, sculptures, sketches, stained glass, vestments and wood carvings.

Art work will be displayed for the weekend and artists will be able to sell their work and promote their social media sites. Musicians and singers will be scheduled for a time slot on our event stage.
